Dear Dr. Chatterjee:

The College of American Pathologists (CAP) is pleased to advise you that the medical laboratory you direct, Laboratory Corporation of America Center for Molecular Biology and Pathology, in Durham, North Carolina, has successfully met the Laboratory Accreditation Program Standards for Accreditation in the area(s) listed on the attached sheet. **Please retain this letter and list of accredited services in your records, as this is your official notification of accreditation.**

Your Certificate of Accreditation is enclosed. Accreditation is valid for two-years and is maintained through continuous compliance with the Terms of Accreditation contained in the attached document.

The Accreditation Committee congratulates you on the accreditation of the laboratory under your direction and the excellence of the services you are providing. Please remember CAP accreditation is not a substitute for continuous in-depth monitoring by the laboratory and its personnel to maintain a safe and properly functioning laboratory. We look forward to working with you in the future and commend your achievement of the "gold standard" of laboratory accreditation.

Sincerely,

Michael B. Datto, MD, PhD, Accreditation Committee Chair
